## Important News Announcement

Thanks to all the hard work and total efforts by Frank Colvario and many others through the use of communications, reunions, celebrations and golf outings, we have grown into a very large group and we are now able to reveal some great news. We are now a full fledged and registered association known as:

**Caddy Camp Alumni Association /dba Friends Of The Caddy Camps**

This will now allow us to grow even further in the future. Our goal is to keep the caddy camp memory alive for many more years to come. We also have a new e-mail address for better communications:
